Why do we need/want a IAB or SAB?

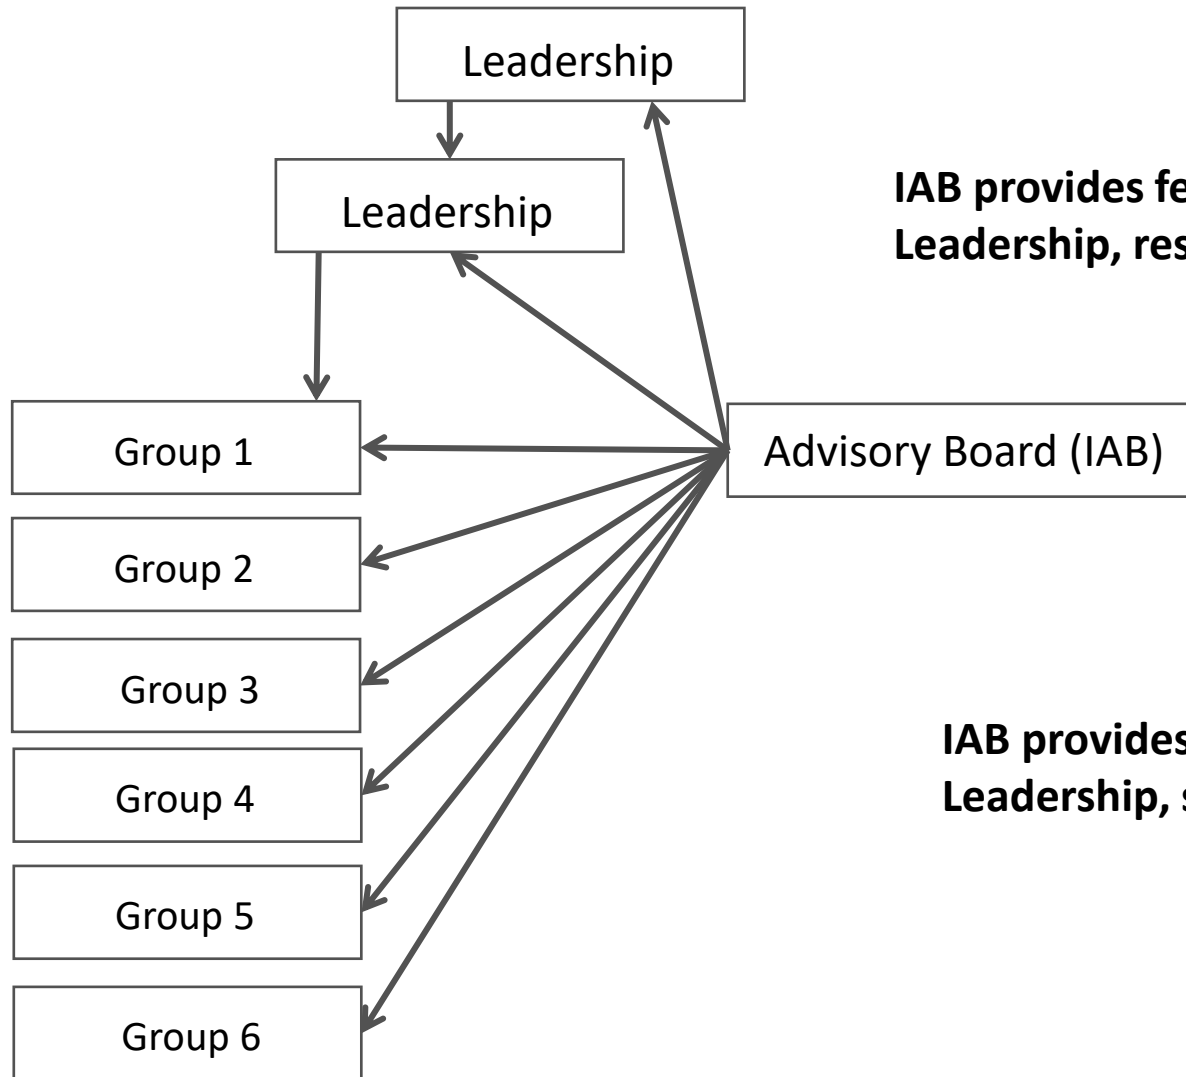

Evaluation?

Advice?

A stronger
negotiation
position?

Conflict resolution?

Opportunities?

**IAB provides feedback to the director
Leadership, resources, overall strategy**

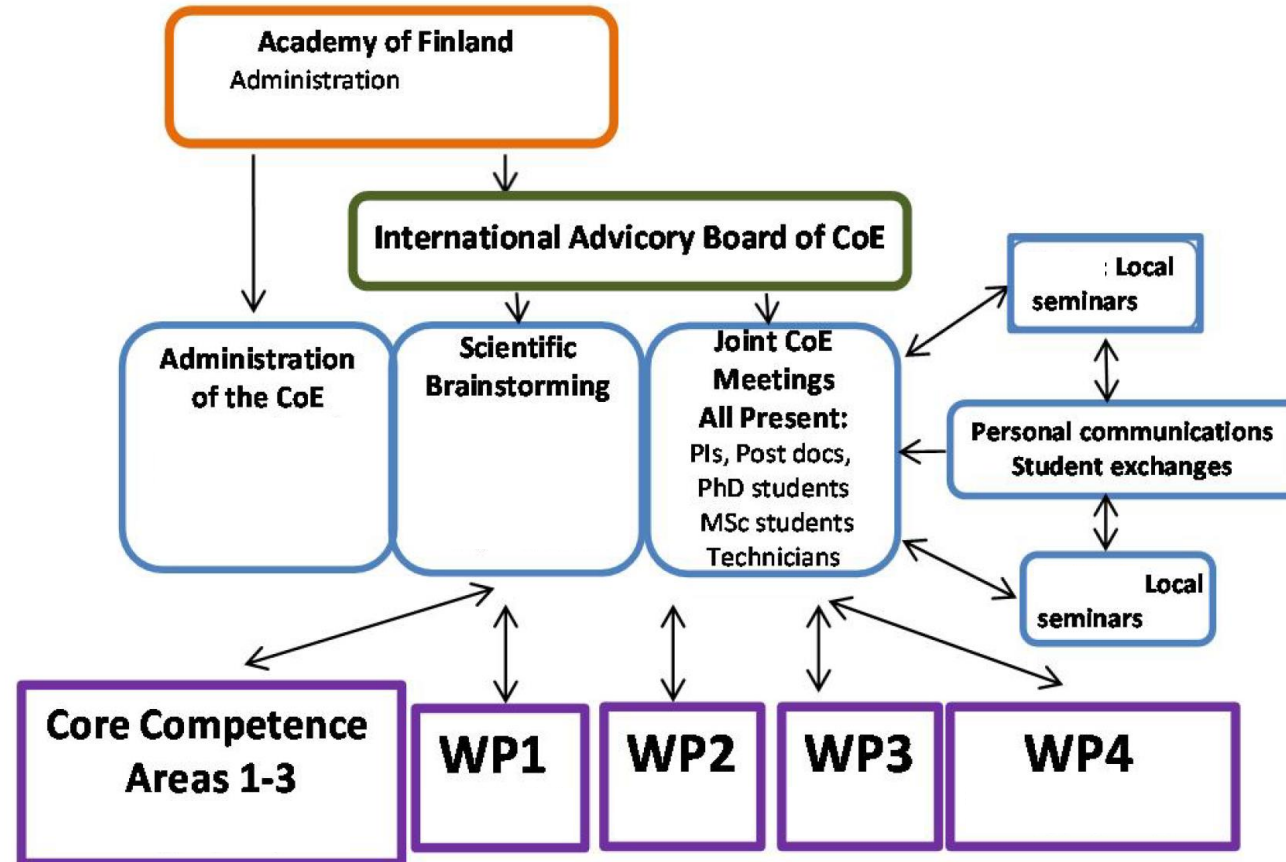

**Support from an IAB can strengthen the position
of a team/department/organisational unit
in a larger institution**

**IAB provides feedback to groups
Leadership, strategy, opportunities**

Example: IAB for a Centre of Excellence of the Academy of Finland

4 Senior PIs
10 Junior PIs

Who should be on a IAB?

Open-minded

Related but not identical research

Willingness to talk to all levels in a research institution

International experience
